We understand the importance of your time and resources, so we advise you to please book after **extra consideration**. The **booking fee** will not be refunded to you or transferred to any other student if you wish to cancel.

There will be no refund of any kind after the start of the course.

If you wish to cancel your current course date, you may transfer your booking fee to another course within a year of the **application date**. Before your transfer is processed, you must **reconfirm** the available date with us. This is allowed one time per person, multiple transfers are not permitted. This must be done at least 21 days before the start date of your course.

In case the course fee is fully paid more than a month in advance, the cancellation notice should not be less than 21 days before the commencement of the course. Your full course fee could be transferred to another available date within a year of the application date or to another student at a nominal **fee**. You must reconfirm available dates with us in such a case. Transfer of the full course fee will be allowed only once.

In case of a cancellation performed by Cosmic Yoga due to any unavoidable circumstances, full fees or booking amount will be refunded to the student without any charges. It does not apply to cancellations done due to misconduct or unlawful activity performed by a student during a course.
